

Every Child on the
,Road to Health'

*This page needs to be
designed well with good &
simple graphics*

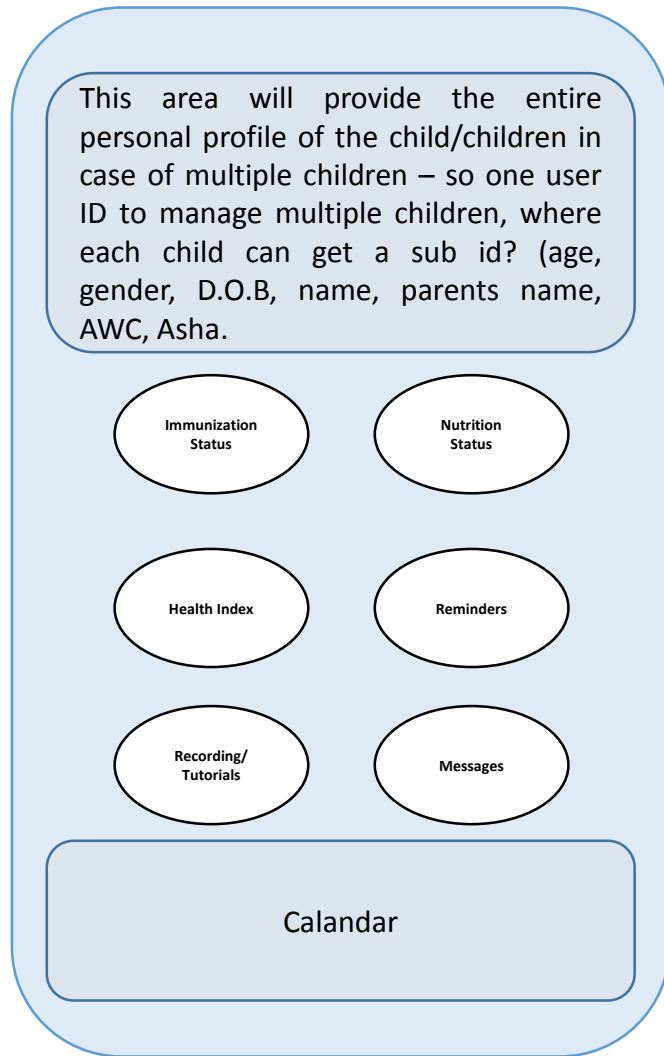

User name/ID

Password

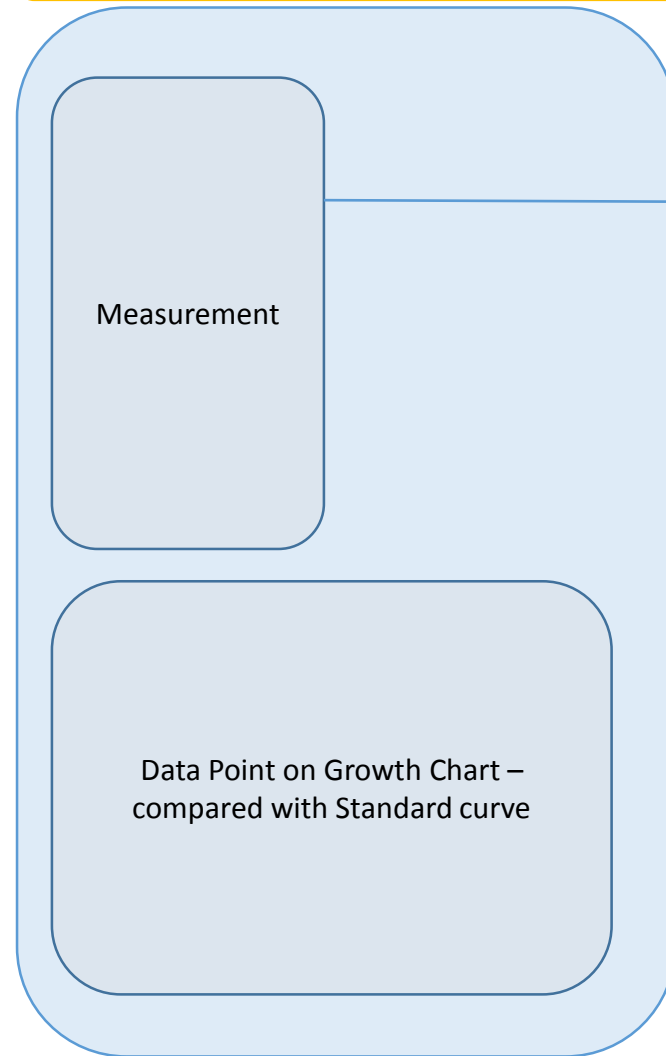

Welcome Page

- Here we can check the ability to access through Adhaar.
- If Adhaar access is possible, then with devices where biometric access is possible, we could use that to provide the access instead of the username and id

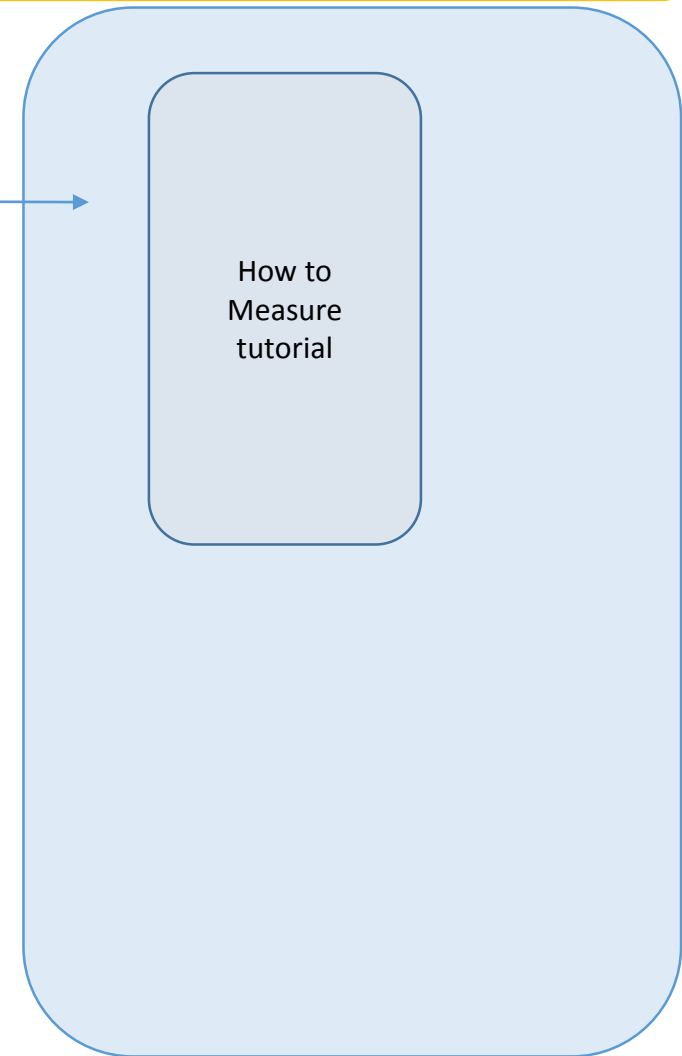

While measuring it springs between page 2 and Page 3 to provide a tutorial everytime on how to measure before the measurement is done and submitted
